Dear Admiral:

We displaced Texas-prairie Navy types are delighted that you will be speaking at the Dallas Council of World Affairs luncheon on the 21st. I have reserved a table for ten (some Navy and some not) from Denton and we are looking forward to the affair.

Also hope that I get the chance to say hello and pay my respects.

Respectfully,

S:

Silas R. Johnson  
Captain, USN(Retired)

P.S.: I am not a resident of this place. I'm the Administrator.
